

# The Best of Both Worlds

## Arla British Grated Lighter Mature Cheddar Cheese 1kg

COVID-19 has closed restaurants and forced a demand shift direct to the consumer. With a convenient 1kg grated format, our Lighter Mature Cheddar is the perfect way to diversify your offering.

### Key Benefits:

- 30% less fat, perfect for both consumers and the Health & Care Sectors
- Same rich flavour as a full fat mature cheddar – no compromise on taste or performance
- Arla is a trusted and recognised top 20 consumer brand\*
- Ideal pack size for domestic fridge, but large enough for BOH without wastage
- Handy 1kg case size for storage
- Farmer owned, supporting British dairy farmers

Size	1kg
Product Code	2074
